**Confidential Settlement Communications
April 1, 2011**

The purpose of this meeting is to discuss the ongoing nature of Clean Water Act and Resource Conservation and Recovery Act violations at Taylor Finishing (formerly "McLawhorn-Banks"). Mr. Donald Taylor requested our presence at this meeting in January 2011. The undersigned parties understand that everything discussed in this meeting is confidential.

"Settlement Communication" means any verbal or written communication made by a participant in this negotiation. Said parties shall use Settlement Communications only to facilitate settlement. Said parties shall not disclose such communications to non-participants.
